PROFESSIONAL SUMMARY

Motivated Software Engineering undergraduate with a strong foundation in software development, databases, and project execution. Passionate about new technologies, industry trends, and delivering innovative solutions, with proven teamwork, leadership, analytical, and problem-solving skills.

WORK EXPERIENCE

Junior Web Developer

November 2025 – Present

Cynectex (Pvt) Ltd

- Directed web app delivery and ongoing maintenance, deployed four quarterly updates, and improved module performance by 15% through targeted optimizations.
- Delivered mobile UI and API integrations 20% ahead of schedule, boosting stability and reducing user-reported incidents.
- Accelerated WordPress performance by implementing incremental builds and timely updates, delivering 30% faster load times and improved stability.
- Implemented REST APIs for three services, standardized data validation and error handling, boosting frontend-backend reliability by 20%.
- Led cross-stack diagnostics and optimizations, boosting app stability and responsiveness by 25% via targeted performance improvements.

SKILLS

Java	JavaScript	TypeScript	Python	PHP	HTML5	CSS3	React.js	Tailwind CSS	Node.js	Express.js
MySQL	Firebase	Azure	Ollama (Local LLM)	Whisper (STT)	MediaPipe	Git	GitHub	GitHub Actions		
Teamwork & Collaboration	Leadership	Project Management	Effective Communication	Conflict Resolution						
Time Management	Problem-Solving									

EDUCATION

BSc (Hons) Software Engineering

2025 - Present

University of Bedfordshire

Higher National Diploma in Information Technology

2023 - 2025

SLIIT City Uni

Foundation Certificate in Information Technology

2022 - 2023

SLIIT City Uni

Secondary Education – G.C.E. Ordinary Level (O/L)

May 2008 - Feb 2022

Thurstan College

CERTIFICATIONS

Python For Beginners	University Of Moratuwa (CODL), 2025
Introduction to Containers	AWS Training & Certification, 2025
Web Design For Beginners	University Of Moratuwa (CODL), 2025
Front-End Web Development	University Of Moratuwa (CODL), 2025
Server-Side Web Development	University Of Moratuwa (CODL), 2025

PROJECTS

InterviewAI Pro

Developing an AI-driven interview practice and screening platform with a real-time AI interviewer, dashboards for candidates and organizations, job postings/applications, scheduling, role-based access control, moderation, and automated notifications.

Technologies: React, Vite, Tailwind CSS, Node.js, Express, Firebase, Socket.IO, JWT, PWA, Ollama, Whisper (Python), MediaPipe, SendGrid, GitHub Actions

CleanOps Pro

Developing an offline-first platform for commercial cleaning operations with Admin, Supervisor, and Cleaner workflows, including scheduling, QR/selfie attendance, proof uploads, issue reporting, timesheets, invoicing (CSV/PDF), and audit tracking.

Technologies: React.js, Vite, Tailwind CSS, Node.js, Express.js, Supabase, IndexedDB, PWA, Docker, Ollama, Whisper

FoneCove Mobile Store

Built a full-featured frontend-only e-commerce website for a mobile phone retailer with an integrated admin panel UI, supporting product catalog management, category/brand organization, review moderation, announcement scheduling, contact message handling, and staff role management (RBAC). Delivered a responsive public-facing storefront with filtering, search, product pages, and dark/light theme support.

Technologies: React, TypeScript, Vite, Tailwind CSS, React Router, Headless UI

Banana Blitz

Developed a browser-based puzzle game where players guess banana counts, featuring classic levels, timed challenges, daily puzzles, achievements, customization options, and real-time multiplayer with friends and matchmaking.

Technologies: HTML, CSS, JavaScript, Firebase, Tailwind CSS

LANGUAGES

English (Professional) Sinhala (Professional)

AWARDS & HONORS

Dean's List Awards	2024
SLIIT City Uni	
Recognized for outstanding academic performance and achieving Dean's List honors in Year 01, Semester 02.	

VOLUNTEER EXPERIENCE

E-Sports Committee Member

2025 – 2026

SLIIT City Uni

- Supported planning and coordination of university e-sports activities and events.
